## Community Service Learning (CSL)

### About our program

Community service learning (CSL) is a structured learning experience that combines community service with mentored preparation and reflection. Our program provides a structure to bring students, faculty mentors, and community partners together to engage in CSL and provides support for these activities.

### How community organizations can connect with us

1. Learn more about our program: [www.texashumanities.org/CSL](http://www.texashumanities.org/CSL)
2. Email us to discuss a potential CSL project: [CSL@uthscsa.edu](mailto:CSL@uthscsa.edu)
3. Follow us on Facebook: [facebook.com/CSLCMHE](https://www.facebook.com/CSLCMHE)
4. Advertise a potential project and recruit students through our online CSL Directory: <https://csldirectory.texashumanities.org>

Step 1: Go to [https://csldirectory.texashumanities.org/users/sign\\_in](https://csldirectory.texashumanities.org/users/sign_in)

Step 2: Sign up as a community partner

Step 3: Log in with your new account

Step 4: Once logged in, submit a "Potential Project" entry for projects that you would like to develop with students and faculty mentors.

Step 5: Interested students / faculty will contact you to develop the project

5. Attend our Annual CSL Conference in January:  
[www.texashumanities.org/cslconference](http://www.texashumanities.org/cslconference)
